

Surveys

Get Significant Business Information from Employee & Customer Feedback

Powerful, Affordable Online Survey Platform

Illinois BIS has a powerful, affordable online survey platform that provides key insights to improve your company's performance, profitability and workplace culture.

- ✓ Workplace Culture
- ✓ Candidate Experience
- ✓ Employee Engagement
- ✓ Onboarding Experience
- ✓ Customer Satisfaction
- ✓ Customer Segmentation

BIS Insights is our proprietary survey platform that will provide your organization with powerful capabilities and data visualization options to support your survey needs.

- Standard, pre-defined survey reports for viewing and printing
- Customizable reporting dashboard for setting and printing views of your data
- Reporting tools enabling "deep-dive" data analysis
- Robust search capabilities for easy review of open-ended comments and responses
- Fast and easy drilldown options
- Reports export function to Excel, PowerPoint, pdf, and many other formats
